

## *We exist to inspire learning*

*TFPL Learning like to do business with passion and integrity. We create learner-centred training for the enthusiastic acquisition of skills*

### **INSPIRING**

Strengthening your brand by communicating your unique strengths and values, ensuring your corporate ethos shines through every communication and learning opportunity

### **PASSIONATE**

Committed to making your learning experiences the very best they can be: we promise to do the right thing for both you and your organisation

### **HONEST**

We tell it how it is, based on the information we're given. You'll always know our recommendations are based on facts and experience

### **COLLABORATIVE**

We support our colleagues, engage with our clients and create effective partnerships with peers; complementary skills working towards a shared goal

### **INNOVATIVE**

Our favourite question is "Why not?" We'll question and challenge and find a solution that's exciting, inspiring and uniquely suited to your learning requirements
